

ENVOYS MEET TODAY TO TALK FOR PEACE

ALL IS READY FOR FIRST STEP TO END WAR

Representatives of Russia and Japan
Will Be Received By President
Roosevelt Near His Summer Home
This Afternoon

OYSTER BAY, Aug. 4.—Final arrangements were completed tonight for the reception of the Russian and Japanese peace envoys tomorrow. The reception, which will be a formal greeting to the representatives of the belligerent powers by President Roosevelt, on behalf of the United States government, will take place on the Cruiser Mayflower, the finest vessel of her class in the navy. It will take place at 1:30 p. m. and will be attended by a notable demonstration in honor of the distinguished guests.

The Mayflower arrived here and cast her anchor in the lower bay early this afternoon. She is under the command of Commander Cameron Winslow, the President's naval aide, and carries a full complement of 250 men.

It is expected that the Sylph, the President's naval yacht, with Assistant Secretary of State Peirce and some guests invited to the reception of the envoys, will arrive here tomorrow morning.

Mr. Peirce will be accompanied by Rear Admiral Sigbee, as a representative of the navy, and Major-General Grant, commander of the department of the east, as representative of the army.

The Russian and Japanese plenipotentiaries and suites leave New York tomorrow morning.

The envoys and suites will make the trip to Oyster Bay in the sister cruisers the Chatanooga and the Tacoma. Thus they will not meet until they reach here and are formally presented to the President. President Roosevelt will go aboard the Mayflower at 1 o'clock. The plenipotentiaries will be escorted to the handsome main cabin, where Assistant Secretary of

MANY STRIKERS SHOT DOWN

S. T. PETERSBURG, Aug. 5.—An official account received of the strike in the Novorossi Vlati Kavakaz railway, describes a sanguinary encounter between the troops and workmen who were attempting to prevent the departure of the mail train.

After one cossack had been killed the strikers advanced menacingly, whereupon the infantry fired, killing thirty strikers and wounding twenty-two.

State Peirce will present the envoys and each member of their suites to the President.

Such exchanges that will be made at the time will be purely informal. The envoys of the two powers will then be presented formally to one another when every effort will be made by the President and Assistant Secretary Peirce to render the ceremony as natural and as easy as possible. When these ceremonies are concluded a luncheon will be served.

In order to avoid any unusual questions of precedence the luncheon will

be a buffet collation. The party at the luncheon will number about twenty-five. Shortly after the luncheon the President will take leave of the envoys and will return to the shore in a launch.

From the Mayflower the Japanese envoys and suites will be conveyed by the despatch boat Dolphin, which will be anchored near by, the Russian envoys and suites remaining on the Mayflower. On these ships the two sets of envoys will be conveyed to Portsmouth, N. H., where the sessions of the peace congress will be held.

WELCOME TO TAFT BY THE FILIPINOS

MANILA, Aug. 5.—Secretary Taft and party arrived here on the Manchuria at 10 o'clock this morning. Their arrival was made the occasion of a gorgeous water pageant.

Governor General Wright, Major General Corbin, Rear Admiral Train with staffs, and official reception committee met the party when the Manchuria entered.

The battleship Ohio, the craft in the harbor and the forts fired the regulation salute for the secretary of war.

After the party left the steamship they proceeded to the governor's residence, where the official welcome was made, and where the golden keys to the city were presented to Secretary Taft. Thousands of people lined the streets, which were elaborately decorated.

Stock Quotations

SAN FRANCISCO, Aug. 4.—Stock quotations for today closed as follows:

Contra Costa, 41%; Gas and Electric, 83; Paahua, 22%; Consolidated, 135; Mexican, 155; Ophir, 735; Giant, 70%; Alaska, 89%; Southern Pacific, 65.

Wheat—Shipping, 145, 152½ asked; milling, 155, 165 asked, feed, 95, 102½ asked.

Christian Workers' Conference

EAST NORTHFIELD, Mass., Aug. 4.—The twenty-third annual general conference of the Christian workers, which was founded by the late Dwight L. Moody, opened today and will continue until August 20. The attendance is the largest ever registered on an opening day, which, combined with the large number of prominent speakers on the program, gives promise of a most successful session.

DEATH LIST GROWING FAST

NEW ORLEANS, Aug. 4.—The fever report to 6 p. m. today shows: New cases, 43; total cases to date, 475; deaths, 5; total deaths to date, 89.

RUSSELL SAGE HAS ANOTHER BIRTHDAY

NEW YORK, Aug. 4.—Russell Sage entered upon his 90th year today. Contrary to the custom of many years, "Uncle" Russell did not spend his anniversary down town at his office. After much persuasion and a resort to something like strategy, Mrs. Sage and the family physician, Dr. Mann, succeeded early in the week in enticing the veteran financier to his home at Lawrence Beach and despite his yearning to be near the "street," it is possible that he will be kept in the country during the remainder of the heated period, with just an occasional run into town to see how things are going.

During the day Mr. Sage's friends, fellow directors in Gould companies for the most part, sent him their congratulations by mail or wire. Mr. Sage, in spite of his advanced age and his appearance of falling strength, continues to take a keen interest in everything that relates to the world of business and finance.

NEGRO DEFEATED BY A WHITE MAN

Jimmie Gardner Lands One Punch on Husky Rufe Turner Early in Eleventh Round and Brings Rough Fight to a Close

COLMA, Cal., Aug. 4.—With a terrific right swing to the body Jimmie Gardner tonight knocked out Rufe Turner in the first three seconds of the eleventh round of a scheduled twenty-five round contest.

The blow that ended the fight was a clean right to the wind. Turner showed to an advantage in the first two rounds, in which he was the aggressor. After this the fight was all Gardner's. In the fourth round Gardner made Turner look like a novice.

Turner took a big brace in the seventh round and partially evened matters, but this showing was only temporary. Throughout the fight Gardner displayed remarkable cleverness in blocking and ducking. Turner was unable to reach him with any effective blows. The last three rounds Gardner had nearly everything his own way and in the last half of the tenth had Turner at his mercy.

At the conclusion of the tenth round Turner went to the floor after receiving hard rights to the body and was saved for the time being only by the sound of the gong. When the bell tapped for the eleventh Turner came up groggy and Gardner rushed over to his corner and concluded the fight with a smashing right to the wind.

There was considerable roughing it all through the ten rounds.

POPE CELEBRATES SECOND ANNIVERSARY

ROME, Aug. 4.—The second anniversary of the election of Pope Pius X to the chair of St. Peter was observed at the Vatican today. At an early hour this morning his holiness celebrated high mass, after which he received his immediate entourage in audience. During the day messages of congratulation were received at the Vatican from the heads of nearly all the states of Europe and from the Catholic church dignitaries of America and other parts of the world.

Notwithstanding the onerous nature of his official duties and an undisciplined yearning for a glimpse of his native hills the Pope continues in good health and spirits. Just now he is keenly interested in the efforts to bring about peace in the Far East and has given directions that he be kept constantly informed of the progress of the negotiations about to begin at Portsmouth.

Iris Sails From San Diego

SAN DIEGO, Aug. 4.—The United States steamship Iris, which has been in port since shortly after the Bennington disaster, sailed for San Francisco today with supplies taken from the disabled gunboat.

DIVES TO DEATH OFF PLEASURE PIER

R. Malone, Night Yardmaster of Southern Pacific Yards at Santa Barbara, Meets Tragic Fate While Bathing in Surf

SANTA BARBARA, Aug. 4.—R. Malone, night yardmaster of the Southern Pacific Company, while diving at Pleasure pier, struck his head on the ocean bottom and broke his neck today. He died an hour later. He leaves a wife and two children.

WEDGED BETWEEN POST AND CARS IN A MINE

Special to The Journal

DELMAR, Nev., Aug. 4.—While working in the big mine here today Ray Saffold sustained what will probably prove to be fatal injuries. An ore train in the mine overtook Saffold, who stepped out of the way, and in doing so he ran into a post and was jammed between the beam and one of the cars, as there was but four inches over all between the cars and the post. Saffold was so firmly wedged in between the car and post that it was necessary to back the train up to release him. When taken out he was unconscious and an examination by the mine physicians develops the fact that his injuries are internal and of a very serious character.

TEDDY MAKES A HIT WITH WITTE

NEW YORK, Aug. 4.—M. Witte and Baron Rosea arrived here from Oyster Bay today, and Mr. Witte said: "I have the highest opinion of President Roosevelt. I was particularly struck by his energy and broadmindedness. I feel it is good for the United States to have so distinguished a man at its head as an executive and I fully appreciate the reasons that led to the choice of him for so responsible and honorable a post."

Lumber Salesmen Meet

MILWAUKEE, Wis., Aug. 4.—The annual midsummer meeting and outing of the Northwestern Lumber and Saw Door Traveling Salesmen's Association was held in this city today, headquarters being at the Hotel Pfister. About 100 members and their wives were in attendance from various parts of this state, Illinois, Minnesota and Michigan.

His Heart Failed Him

A man named Joseph Stanley was stricken with an attack of heart failure while eating lunch yesterday. For a time it was thought he was dead, but he revived and after a few moments was able to walk home.

APPEAL FOR AID TO PUT DOWN PLAGUE

Yellow Fever Situation in New Orleans Becomes So Alarming That Government Is Called Upon for Assistance

NEW ORLEANS, Aug. 4.—

not intending to admit that the fever situation is beyond control, but in the hope of reviving confidence here and elsewhere in the south, official and business interests have decided to send a request to President Roosevelt to have the United States government assume full charge of the struggle now in progress to wipe out yellow fever from New Orleans.

The public approves of the action taken.

The expectation is that within the next two days Surgeon General Wyman, with all the resources of the government will be enlisted actively in the campaign.

It was the consensus of opinion that if the government control was received upon there would be an immediate restoration of confidence throughout Louisiana and other states in the south where there has been criticism of the local authorities for not sooner making public the existence of the fever. It was the belief of those present that General Wyman will be able to send a force of physicians to New Orleans thoroughly equipped for the handling of the yellow fever situation because of their experience in Cuba, Mexico and at different points in the United States, and that the government would have facilities for the enforcing of a scientific campaign not possessed by the local authorities.

At the conference in the city hall it was decided that Mayor Herman should issue a proclamation requiring

TRYING TO DOWN BRYAN

A SPECIAL dispatch from Omaha to the leading Republican newspaper of the Coast states that a newspaper trust is being formed in Nebraska to defeat William J. Bryan in any political aspirations he may cherish. The special gives the news of the matter with such detail that it is hard to doubt the authenticity of the report.

The plan as outlined contemplates the establishment of twenty-one papers in the leading towns of Nebraska to encourage whatever anti-Bryan sentiment may be in existence. The move, so the dispatch states, is prompted by the fear that another wave of Bryan popularity may result from the recent disclosures of graft in financial and political centers. The newspaper trust of Nebraska is said to have the financial backing of James E. Eckles, ex-Controller of the Currency, Paul Morton, president of the Equitable Life, Thomas F. Ryan, the Wall Street financier, and Edward A. Cudahy, the Omaha packer.

Two of these men were Democrats, but bolted the ticket in 1896. Morton has been a Republican at least since that time. The politics of the fourth Edward Cudahy, if he has any, is unknown in this neck of the woods. That is immaterial anyhow, he is a man of means and money has no politics.

The scheme is an economical one. It is much cheaper to misrepresent and vilify a man in his own state and so create such a sentiment against him that he cannot even be chosen delegate to a state convention than to permit him to be nominated for President and then have to spend from \$10,000,000 to \$20,000,000 to beat him at the polls.

But a venal press, when it is known to be venal, has no weight with the people and the exposure of this little scheme will effectually spoil it for any mischief that may be intended.

On the other hand the people of the land are notified by the enemy that Bryan is the peoples' trust and most formidable leader and if they fail to take the hint the fault is their own.

UP TO DATE CHINA

IF anybody doubts that China is up-to-date let him read the following advertisement inserted in a Chinese newspaper by a young woman of the Flowery Kingdom.

"In your issue of September 17, 1904, appeared an advertisement for a wife. Let me begin by saying that I regret having reasons to believe that this particular young man is not gifted with such qualities as I would expect in my future husband. I am twenty years of age, and have waited until now in vain for any one to deliver me from my maiden's prison. Having heard that it is usual in some countries of the world to advertise about such things I have prepared ten paragraphs embodying the conditions expected of my future husband. I should be glad to have them published in your paper: (1) My husband must have both Chinese and European education. (2) We must please each other in age and appearance. (3) My husband will be permitted to have no other wife nor will he be permitted to have any relations whatsoever with ladies outside of his own home. (4) He will not be permitted to frequent cafes or gambling-houses, or to drink with actresses. (5) He must not smoke opium. (6) He must have no dark spots on his record. (7) My husband must shave off his mustache and whiskers until he is forty years old. (8) He must permit his wife full liberty to go out of and come into the house in as free a manner as though she were a man; (9) my husband must allow me general liberty of movement, like other free people. (10) My husband must place at my disposal one hundred dollars per month and deposit with a bank, as a guarantee, this payment for three years in advance. I will thank you very much Mr. Editor, if you will receive for me replies from the candidates who may respond."

WE TAKE OURS STRAIGHT

A MAGAZINE article, discussing the virtues of formic acid, states that the Russian peasants have a custom of preparing a medicine of uncooked ants in vodka. It is known, also, that the Mexicans use an infusion of ants in alcohol as an excitant. Still we do not enthrall Plain American bourbon without anything alive in it, except an occasional menagerie of snakes, shall continue to be our strongest beverage.

A DISPATCH comes from Cleveland to the effect that some of the citizens will offer to make Rockefeller mayor, provided he will agree to pay all the taxes. All the lunatics in the country are not in the Nevada State Hospital for Mental Diseases.

FROM the treatment his presidential boom has of late received on the Pacific Coast, it is reasonable to presume that Secretary Taft will come to realize that the phrase "nothing new" has many significations.

SILVER UNCLASSIFIED

THE San Francisco Chronicle comes out with a very sensible article, inquiring how it is that since the election of 1895 made a mercantile commodity of silver the government fails to include the white metal among our mercantile imports and exports. It points out very pertinently that during the fiscal year ending June 30, we imported silver valued at \$27,430,383, and exported \$48,448,812 of the metal. The sum of these two added to the grand total of our foreign trade would make it \$2,712,249,528 and not \$2,633,970,333 as represented by the Bureau of statistics.

In passing it will do no harm to mention that the San Francisco Chronicle was one of the most powerfully logical defenders of the double standard until the Republican platform in 1896, dictated by directors of the Equitable, and other equally honorable and estimable gentlemen, convinced that sterling newspaper of the unworth of the white metal.

THE women of Mill Valley, Marin county, California, having had their sense of the beautiful offended by numerous yellow advertising signs painted on the rocks and bridges in that county, started out a few days ago and wiped out all the offending yellow signs, using green paint as the agency of obliteration. They accomplished their object without molestation, but had the incident occurred in the neighborhood of Belfast or Kerry there would have been broken heads galore to commemorate the occasion.

MANY PLAN TO BUILD HOMES

Really Values Are Looking Up and There is Brisk Demand For Unimproved Property

For the last two weeks the local realty market has been riding along on the top wave. In fact dealers in local dirt report a great activity in several departments of the real estate business with generally good prices prevailing.

Every day sees from four to ten transfers of Reno property made on the records of the county. For the most part this movement represents purchases of unimproved property made by people who intend building homes for themselves.

"You can say," said F. J. Peck, "that the demand for improved property, that is for houses, is greater than we can supply. The result of this condition is the purchase of a great deal of unimproved property by people who are contemplating building homes. Houses for rent are absolutely at a premium and we have five applications for every house that is listed with us."

"There is, generally speaking, a healthy demand for all kinds of property here, and I believe the record of transfers made during the last two months will rank well up with towns of much larger size than Reno."

"There is little or no element of speculation in the real estate market, a condition which portends well for the future, as nearly all the purchases made this summer have been by people who are either now improving the property or intend to do so at an early date."

An evidence of the brisk demand obtaining for houses can be seen from the result of a want ad in the Journal last week. A Reno man who had a house for rent advertised in the want columns of this newspaper and received thirty-four inquiries from the ad.

Among the real estate deals made this week through F. J. Peck & Co. are several of more or less importance, each one of them made by parties who intend building during the summer.

Two lots were sold in Lake's addition on Pine street for \$1100. One lot and a half in Wells' addition brought \$400. Two unimproved lots in the South Side addition were transferred, the consideration being \$450. A lot on the corner of Court and Flint streets changed hands at \$1700; a lot in block M of the original townsite brought \$750. Lot eight of the Riverside Heights went for \$725.

SONGS AND DANCES HEARTILY ENJOYED

Last night at McKissick's opera house the players gave a genuine vaudeville performance, and judging from the enthusiasm of the good sized audience and the repeated encores given, it is very evident that the people of Reno want vaudeville, and are ready to encourage it.

Accordingly hereafter each night, including Saturday and Sunday matinees, a first-class vaudeville show will be given, including several specialties never before seen in Reno.

Comedy will be entirely cut out and as there are several in the company experienced in songs and dances of specialty work, the whole show will be entirely made up of these features by the attractive girls and clever men.

Beginning next Monday several new song and dance people will be added to the company as well as some of the latest moving pictures.

Miss Clementine Bertrand's Spanish dance in costume was the hit of the evening last night, while the ballad by Miss Stella Gray received four encores. Other features were also appreciated by the applauding house.

Documents of Record

Deed—Wells estate to A. G. Evans, lot 6 block 6, Wells' addition. Consideration \$10.

Deed—John T. Reid to Reno Power and Light Company, right of way for ditch through section 36, township 20 north, range 19 east. Consideration \$10.

Deed—J. E. Humphrey to Reno Power and Light Company right of way through land in section 6, township 19 north, range 20 east.

Mining claim—Shoegreen, Clarissa May, Mildred Rose and Oscar S. claims in White Horse mining district, by A. J. Pritchett.

Deed—Farmers and Merchants' Bank to Mary E. Bonham. Lots 13 and 14, in New South Side addition. Consideration \$450.

Deed—Margaret McCarren to Patrick McCarren, lot 7, block D, Evans' addition to Reno. Consideration \$1 and love and affection.

Hazen to Play Fallon

The baseball team at Hazen is going to Fallon tomorrow determined, if possible, to defeat their old rivals. The Fallon team has defeated the Hazen crowd twice, but the boys from the junction town have been practicing for several days now and hope to be able to reverse conditions.

New Things at the O. K. Cafe

Beginning today the O. K. Tamale Cafe will serve chicken pie, Boston baked beans, cold meats of all kinds, and salads, together with coffee and fresh buns. This will be a daily feature.

J. M. Bello & Co. make the best tamales in town. 111 Virginia Street. Phone Red 164.

SUICIDE WAS THE VERDICT

Coroner's Jury Find That Josie Meyers Came to Her Death by Her Own Hand

"We, the jury, find that the deceased, Josie Meyers came to her death by taking laudanum, administered by her own hand with suicidal intent."

This was the verdict brought in yesterday by Foreman E. C. Leadbetter of the coroner's jury investigating the death of the woman who swallowed the contents of a two-ounce bottle of laudanum Thursday night.

The principal witness examined was E. Brundage, a laborer, who told the jury that the Meyer woman had early in the evening informed him that she was going to take her life and that it would be the last time he would ever see her.

Florence McKinna, a sister of the dead girl testified that Josie came into her room shortly after midnight with the declaration that she had taken poison and that she wanted to die. She believed that her sister took the poison upon the impulse of the moment.

C. L. Watts, a policeman, testified that he found an empty bottle marked "Laudanum" and a small whisky glass in the rear of the dead woman's house soon after he had been summoned on the case, and that both smelled strongly of poison.

Doctors Brock and Walker testified from a professional point of view, telling the jury that the woman died as the direct result of the action of the poison upon her system.

The verdict stated above was brought in by the jury soon after retiring and the jurors were discharged. The body of the dead woman will be shipped to Sacramento today where her parents reside.

RACING BOARD MEETS TONIGHT

Special Session Called to Discuss Advisability of Holding More Relays

A called meeting of the racing board of the Reno Wheelmen will be held this evening. It will be the most important meeting of the year in that the members at that time will probably decide whether or not to close the racing season of the club.

Some time ago the Reno club received an invitation to take part in a race meet to be held at San Jose next month. Tonight's meeting will decide whether or not the invitation will be accepted.

There is also some talk of holding more relay meets in Reno. This will also be decided upon. One thing may deter the club from holding further meets here this year is the fact that whenever a race is held many residents of Reno well able to pay the price of admission, take advantage of the back stretch on the race track and view the contest without paying. There is talk of erecting a fence at that point to shut out this view and either cause the dead-heads to pay their way or forego the pleasure of viewing the races.

EAGLES WILL PICNIC AT BOWERS TOMORROW

Quite a number of Renosites have expressed the intention of taking in the picnic at Bowers' Mansion tomorrow. It will be given by the members of the Comstock Aerie of Eagles, and as the Virginia City residents know how to entertain every one who goes is assured of a pleasant day.

There will be games of all kinds, prizes will be offered and keen competition is looked for. In addition Mr. Riter has the grounds in excellent condition now and a better place for a day's rest would be hard to find. The round trip rate for adults from Reno, including admission to the grounds, will be \$1. Children will be charged 50 cents.

DAUGHTER OF DEAD MAN WILL BURY FATHER

The body of W. D. Rawlings, the man who died so suddenly at the county hospital Wednesday, will be shipped today by Undertaker Reinhard to San Francisco, where the funeral will take place Sunday afternoon. A daughter of the dead man was located in San Francisco and upon advice from her, the body will be shipped to the city today.

MODEL FIRE DEPARTMENT

So Says Trustee Tegler of Nevada City After Visiting the Reno Engine House

C. E. Tegler, city clerk and member of the board of trustees of Nevada City, California, departed for home Thursday night after a visit to Reno. Mr. Tegler, who is also one of Nevada City's best known business men, was much impressed with Reno.

"I heard so much about your city," said Mr. Tegler, "that I could not resist visiting Reno. Now that I am here I must say that I am surprised and agreeably so. From a business point of view I believe Reno one of the best cities in the country. You also have enterprising citizens. This is your greatest asset and one that will make Reno still greater. Your fire department is one you should feel proud of. It is the best for its size that I have ever seen. The chief, Mr. Webster, certainly is deserving of credit for the excellent discipline and system he maintains there. A fire department means much to a city, especially one like Reno supports."

"You will not regret the cost of paving your streets. I learn the city is now contemplating this improvement. It is one that more than pays for itself. Nevada City now has a model fire department and paved streets. It is somewhat ahead of you in municipal matters in that it owns its water system, the finest in the world. The receipts from this public utility almost meet the expenses of the city, as well as pay for the bonds required to purchase it. We also have some mines, and though many of them are not as rich as your Nevada bonanzas, they are developed and are known to be sure producers. In a few years when your new discoveries attain depth and their true value is determined you will also have a mining asset that will be of a lasting nature."

Nevada Sheep in Demand
Nevada sheep are in demand. Fifteen carloads were shipped from Reno yesterday. They are consigned to Swift & Company of Chicago. Ten carloads were from Soda Springs, the remaining five cars coming from the north. Nevada mutton is now bringing top notch prices in the eastern markets.

Going to the Lakes.
Judge Curlier, Hi West and Pierce Evans leave this morning on a camping and hunting trip around the lakes. They plan to be absent about a month.

JUDGE POLLOCK SETS TWO CRIMINAL CASES

Judge Pollock, sitting in the justice court in the place of Judge Richard Nash, who is spending his vacation in Portland yesterday set the hearing of the case of the state against Eva Wilson, the woman who beat Marcelle Vidal, a habitue of the tenderloin district known as "Sapho," over the head with the neck of a beer bottle, for August 9.

The injured woman is on the road to recovery and may possibly be able to appear at the preliminary examination of her assailant next Wednesday. If she is not the case will be postponed until such a time as she will be able to appear in court.

Judge Pollock also set the case of Edward Clarke, who is charged with going through the pockets of J. C. Bettinger and frisking him of \$10, for August 18.

CURES SCIATICA

Rev W. L. Riley, L. L. D. Cuba, New York writes: "After fifteen days of excruciating pain from sciatic rheumatism, under various treatments, I was induced to try Ballard's Snow Liniment; the first application giving my first relief and the second entire relief. I can give it unqualified recommendation. For sale by T. R. Cheatham, 25c, 50c and \$1.00.

SPARKS DEPARTMENT

SPARKS BOY WEDS SALT LAKE GIRL

Chester Coots of This City Married
Yesterday Morning to Miss Lulu
Christopherson of Utah's Capital

Chester Coots of this city was united in the holy bonds of wedlock yesterday morning to Miss Lulu Christopherson of Salt Lake City. The wedding took place in Reno and was performed by Rev. Welch of the Reno Methodist church. It was a very quiet affair and came as a complete surprise to the many friends of the groom in this city. The ceremony was witnessed by A. J. Schlitter and Jerome Lefar, friends of the groom and residents of Sparks.

Mr. Coots is one of the most popular young men of this city and has been employed in the machine shops here for some time past. His bride is one of Salt Lake City's most select society girls and has always been an important factor in social events of that city. They enter their married life with the best wishes of their many friends in this city and Salt Lake City. They will make Sparks their permanent home in the future.

ABANDONED LINE IS BEING TORN UP

A work train and large force of men was sent yesterday to begin the work of tearing up the old track east of Wadsworth. A stretch of track about three and one-half miles in length connecting Wadsworth with New Junction is all that remains of the abandoned line. The steel is all practically new and will be used on the Hazen cutoff. It is expected that the work of tearing up the old rails will consume about one week's time. The Wadsworth bridge is also being taken down and will be placed across the Carson river near Fort Churchill.

Mrs. Williams Dies at Hospital

Word was received yesterday from San Francisco of the death of Mrs. Williams of this city at the railroad hospital. She had been an inmate of the hospital for some time past, suffering with typhoid fever. The deceased woman was quite well known in this city, her husband being employed in the machine shops.

Nelson's rock corn whiskey, full proof, eight years old, to be had at Behler & Glin's the Elk saloon atw2

METHODISTS ANNOUNCE DATE OF CONFERENCE

The conference of the Nevada mission of the Methodist church will meet in Reno beginning on August 30. The conference will last about one week and will be presided over by Bishop Berry. He will also deliver an address before the convention of the Epworth league which will be held during the same week.

Dr. Welch of the Reno church is now making preparations to properly receive the visitors who are expected from all parts of Nevada and a portion of California.

The Home Delicatessen 21 West Second street, for apple, lemon and custard pies Phone 268 jysom

CHANGE MADE IN RAILROAD YARD

Will Hereafter Be Operated on a First
Class Instead of a Second Class
Basis

Through the efforts of Assistant Superintendent Shaughnessy the railroad yard at this place has been changed from second class to first class and will hereafter be operated on a first class basis.

This change means a raise in the pay of all switchmen employed here and an increase in the salary of the yardmaster from \$110 to \$125 per month. There are at present eight switchmen employed in the Sparks yards and all will be considerably benefited by the change.

This change has been contemplated by Assistant Superintendent Shaughnessy for some time and it is due solely to his efforts that it has been made. The matter was placed before Superintendent Manson by him and at his suggestion was immediately taken up, the change going into effect August 1.

Train Delayed By Wreck

A west bound freight train jumped the track yesterday morning near Newcastle, Cal., both engines leaving the rails. The cause of the derailment is not known. The second section of No. 6 was delayed four hours and a half as a result. No one was injured.

Attend the Dance

Don't fail to attend the dance to be given by the Good Time Club in Robinson's hall. Special preparations are being made to insure its success. Music will be furnished by Merrill's orchestra. A good time is guaranteed to all.

Terse Tales of Town

The Misses Havenar of Salt Lake City are in Reno on a visit to Mr. John Orr.

Miss Edna Folsom left yesterday morning for Verdi on a visit to Miss June Kane.

Miss William Steinkamp of Sacramento is in Reno on a visit to her sisters Mrs. Joseph Gray and Mrs. H. E. Reid.

Miss Theo Clark and children departed for Lake Tahoe this morning to visit her sister, Mrs. Emma Edmund Hunkin for a few weeks at Tahoe City.

CHARLESTON'S MAYOR AFRAID OF THE FEVER

CHARLESTON S. C., Aug. 4.—Mayor Rhett has proclaimed a quarantine against the yellow fever points to take effect next Sunday.

Eagles, Attention

All members of Reno aerle, No. 207, are asked to turn out and help make the picnic to be given by Comstock aerle No. 523 at Bowers' Mansion tomorrow a grand success. Reno aerle has been invited and all Eagles and their friends are asked to be in attendance. Round trip tickets one dollar. Leave on the morning train.

COMMITTEE

BRIEF MENTION OF PASSING PUBLIC

Those Who Come and Those Who
Go to and From the Railroad
Town

G. A. Larson was called to Reno yesterday on business.

J. P. Raine, Jr., leaves today on an extended trip to Lake View, Oregon.

W. B. Thompson made a business trip to this city yesterday from Reno.

R. H. Cowles, the Wadsworth merchant, was transacting business in the railroad town yesterday.

N. A. Hummel, the well-known mine owner and journalist, was an arrival yesterday from Olinghouse.

Mrs. T. F. May and Miss Jessie Parker of Clark's Station, were visiting friends in Sparks yesterday.

Mrs. George Parker, who has been quite sick for the past few days, is reported as being somewhat improved.

J. D. Poole, formerly superintendent of the Springfield mine, arrived in Sparks yesterday from the White Horse district on business.

NEW DEPOT IS NOW NEARING COMPLETION

Work on the freight and passenger depots is not progressing very rapidly at present owing to lack of material. The foundations of both buildings have been completed and as soon as the lumber arrives the frame work of the structure will be started.

It is expected that the buildings will be completed by the first of September. The sidetrack at the freight depot is also being laid and is nearing completion. Work on the car shops will be started as soon as the freight and passenger depots are completed.

Inspecting the Storehouse

J. Taylor, division storekeeper for the Oregon Short Line, arrived in Sparks yesterday accompanied by G. Hutchinson purchasing agent for the same line. After making an inspection of the storehouse and supplies of the company here they returned to Pocatello Idaho.

On Leave of Absence

Conductor Hall has secured a leave of absence and will leave tomorrow for Bulon for the purpose of looking after some mining interests at that place. During his absence Conductor Noble will attend to his duties.

CORNERSTONE FOR THE NEW MASONIC TEMPLE

It has been arranged to lay the corner stone of the new Masonic temple in Reno on August 26. Charles Beemer of Sparks, grand master of the Masons will officiate. Robert Lewers of the board of trustees completed the preliminary arrangements yesterday and announced the date.

Masons from all lodges in Nevada as well as surrounding states will be invited to be present and assist in the impressive ceremonies.

Munchener Lowenbrau imported German beer on draught at the Palace. m9tt

Porteous Decorative Company

135 VIRGINIA STREET, RENO

A GREAT STATE AN EVANGELIST AT OLINGHOUSE CINNAMON BEAR

Nevada Chamber of Commerce Will Today File Articles of Incorporation

Articles of incorporation will be filed today by the Nevada Chamber of Commerce Association, with P. L. Flanagan as president, A. H. Rising vice-president, Mrs. M. M. Garwood secretary, and C. T. Bender treasurer.

A meeting of the directors of the chamber was held yesterday afternoon when plans for the prosecution of the work of the reorganized body were talked over and it was decided to legally incorporate the association at once. Mrs. Garwood will within a few days succeed O. H. Dockham as secretary of the chamber.

A young man who is a mining engineer will be put in charge of the exhibit and of the chamber's headquarters. All the specimens of ore and other products of the great sage brush state, which are now on exhibition in this city, will be thoroughly cleaned and relabeled.

A systematic campaign will be made by the chamber to secure new exhibits from every county in the state. In as much as the chamber is to have a vice-president in every county, and it is to be made a state affair, this should be an easy matter, as the representatives in every section will act in the capacity of an advisory board, as well as to collect exhibits from each of the counties of the state.

The matter of having an exhibit located in the depot has been taken up with the Southern Pacific by President Flanagan, and it is quite likely that the company will build a small building for this exhibit on the depot platform.

Mrs. Garwood, secretary of the chamber, stated yesterday that favorable responses had been received from the leading people in many sections of the state expressing their hearty co-operation with the Nevada chamber of commerce movement.

Took a Course in Journalism
Harry Standerwick returned yesterday morning from Berkeley, Cal., where he attended the University of California, taking a special summer course in journalism. One of the recognized journalists of America was in charge. Mr. Standerwick states that he learned much as the result of his studies, though practical experience counts more than theories in journalism.

Elks Hold Jolly Meeting.
The Reno Lodge of Elks held a regular meeting last evening. A number of candidates were initiated.

Understood That Rev. Driver Will Give Up Reno Pastorate to Take Up New Work

It is now understood that Rev. Driver of the Baptist church is determined to give up his pastorate in Reno as soon as a successor can be selected. Mr. Driver is intent upon entering the evangelistic field, for which he is well qualified.

Though a number of persons have been mentioned for his place no one has yet been selected. Rev. A. P. Brown, for several years past in charge of the Baptist church at Fresno, Cal., will probably be asked to come here, but whether he will accept is not known.

THERE WILL NOT BE A BALL GAME SUNDAY

There will be no ball game as previously advertised at the State Park Sunday, but the management stated yesterday that it was arranging a series of games to be played with a number of teams of Nevada and California teams to finish out the Sundays of the season.

These games will be in the nature of return games with a number of teams that have already played here, as well as several teams from California that have not made their appearance on the diamond here this year.

In addition to the ball games some other attractive features may be arranged. The management intends to give the people a good class of entertainment every Sunday during the continuance of the season.

He Will Locate in Nevada

George D. James, the mining engineer, accompanied by his wife and children, returned yesterday from Denver, Colorado. Mr. James arrived in Nevada about three months ago and is so much impressed with the state that he has decided to locate permanently in Reno.

Campers Have Returned

Sol Levy, F. P. Dahn and M. Cohn, unburned, but fat and happy, returned last evening from an outing in the mountains. They were absent almost a month and state they enjoyed themselves every minute of the time.

Rumor Has It Springfield-Nevada Has Been Purchased by Colorado Capitalists

A well supported rumor was current in Reno yesterday that the properties owned by the Springfield-Nevada company in Olinghouse have been purchased by Colorado investors and are said to be behind the deal. The purchase price is not given.

The Springfield company suspended operations a few weeks ago and it is now thought work was stopped pending the outcome of the deal now reported. The mines are known producers, though only developed in a small way thousands of dollars have already been taken out of the different claims owned by the company.

KNIGHTS PREPARING FOR AN EXCURSION

Indications now are that the Knights of Pythias and their friends will give an excursion to Lake Tahoe on Sunday, August 20. Arrangements are now being completed for the outing. General Manager Haley of the Tahoe railroad, who was in town last evening, states that arrangements will be made to accommodate 250 persons from Reno. This many tickets will be sold on a guarantee that the holders will be given all the accommodations at the lake. Of this number 150, or if possible, 200 persons will be taken around the lake in the big steamer Tahoe. The remainder will be given an opportunity of visiting Tallac in the smaller boat. It is already assured that a low rate will be made.

Reno Eagles Are Invited

The Eagles of Reno and their friends have been invited by the Comstock aerie to attend the picnic at Bowers' Mansion Sunday. The invitation was read at the meeting of the Reno aerie last night and nearly every one of the large crowd in attendance expressed the intention of spending the day at the popular resort near Reno.

To Spend Three Weeks at Tahoe

One hundred and twenty-five excursionists from Los Angeles will arrive at Lake Tahoe tomorrow. The large crowd is out for a rest and plan to spend three weeks at Tahoe. Tavern Host Richardson has made special preparations to entertain the visitors from the southern country.

Adolph Manheim, Reno's Candy King, Has Exciting Time While Picking Wild Flowers.

Adolph Manheim of Reno, Nevada's candy king, is having a strenuous time at Weber Lake Thursday, so report has it. Mr. Manheim went in bathing. He does not know how to swim and got beyond his depth. He was also seized with a cramp and but for the action of a fellow bather he would have drowned.

An hour later when Mr. Manheim had recovered from the effects of his experience in the lake he started out in the hills in search of wild flowers. About a mile from camp he came across a wounded bear. Bruin was headed toward Mr. Manheim and he did not stop to argue the matter but turned about and headed for a tall tree. Bruin was close behind but Adolph proved himself a great sprinter and made the tree in time to get out of danger. The bear made several efforts to follow but failed and for twelve hours or more awaited the descent of its intended victim. In the meantime a searching party was sent out from camp. It was long after dark when they were attracted to the tree by the shouts of the frightened candy maker. Manheim was rescued and his story that he was treed by a bear was borne out by the tracks and pools of blood around the tree.

STORY NOT A FAIRY TALE

J. D. Pool Says Great Bovee Strike Has in No Regard Been Exaggerated

J. D. Pool, for the last seven years interested in exploiting Olinghouse mines, and one of the first men in the big bonanza camp is a guest at the Hotel Golden.

"The public," said Mr. Pool, "is, I believe, inclined to doubt the reports of the wonderful showing made by the Bovee property. When it is given publicity that \$172,000 ore has been encountered the people who read the newspapers are inclined to be skeptical. But the reports have in no respect been exaggerated. It is a fact that ore in an eight-inch vein has been struck on the Bovee property which runs from \$50,000 to \$170,000 per ton. The assays were not taken from a single piece of rock, but from the ore as it runs in the shoot.

"There is no question but the Bovee property will produce hundreds of thousands of dollars in value. They have 'drifted' twenty-five feet on this very rich vein and have an upraise of 35 feet. They have the ore and have it in great paying quantities.

"The latest find has had the effect of greatly stimulating confidence in the district and the camp is now on the brink of a period of development that will exceed anything that it has yet experienced.

"A few months ago there was little or no capital employed in the development of the Olinghouse mines. The mine in the district were, for the most part, grub-staked prospectors, and a very few of them had any money. Many of the good claims first staked out by these men have passed into the hands of people who have the money to fully develop and exploit the mines. In brief, more money is now finding its way to Olinghouse than ever before, and the camp today has the brightest future of any mining district in a state that is already famed for its rich gold mines."

"What has been said about the Bovee property is no fairy tale. It is the plain narration of facts and the sooner the public realizes what a great section the White Horse district is, and the sooner the people of Reno realize what wonderful resources lay right at their doors, the better it will be for all."

ANOTHER RICH FIND IN THE WHITEHORSE

White Horse is the scene of another rich find. J. H. Kennedy of the Tip Top mine, came in from the new district yesterday with a number of samples, literally filled with gold. The rock has not been assayed as yet, but it will undoubtedly run thousands of dollars to the ton. The find is located two miles from the Pritchett & Dahl property and about seven miles from the scene of the Bovee find. It is from a four foot ledge. The work of taking out a sample shipment is now in progress.

Mr. Kennedy, to keep a promise made some time ago to his friend, Mark Musgrove, to let him in on his first find, staked out an extension to the Tip Top, taking the Olinghouse newspaper man in with him as an equal partner.

RHEUMATISM

When pains or irritation exist on any part of the body the application of Ballard's Snow Liniment gives prompt relief. E. W. Sullivan, Prop., Sullivan House, El Reno, O. T., writes, June 6, 1902: "I take pleasure in recommending Ballard's Snow Liniment to all who are afflicted with rheumatism. It is the only remedy I have found that gives immediate relief." For sale by T. R. Cheatham, 25c, 50c, and \$1.00.

Coming Home Tomorrow

Mr. and Mrs. Charles Frisell arrived in San Francisco Thursday from Portland. They traveled by steamer and in a telegram yesterday Mr. Sadler reports having had a pleasant trip both to Portland and to British Columbia. Mr. and Mrs. Sadler are expected home tomorrow morning.

EXCELLENT PROGRAM FOR THIS EVENING

The program to be rendered by Keil's orchestra at the musical concert to be given at the Gray, Reid, Wright Co.'s store this evening will be as follows:

March, "Call of the Wild," (Lorey); overture, "In the Mountains" (Lincoln); overture, "On English Airs" (Tobani); waltz, "Faithful and True" (Dore); waltz, "Alice, Where Art Thou?" (Archer); duet for cornet and trombone, rendered by Messrs. Ferguson and George; selection from "Marianne" (Wallace); cake walk, "Mr. Black Man" (Troy); serenata, "Mexican Beauties" (Langley); selection, "The Gipsy Baron" (Schauers); galop, "The Huestler" (Barnard); "Star Spangled Banner."

Five Thousand Acres of the Finest Land in the World for Sale

We have decided to open for settlement our large tract of land lying in Prosser and Spanish Spring Valley, Washoe county, a distance of from three to ten miles from Reno.

The first 2500 acres we will sell at \$40 per acre. The purchaser to pay \$20 per acre, as a first payment, receiving the deed for the property, the balance of \$20 per acre to be paid at the convenience of the purchaser. We to give a bond guaranteeing to furnish water for the lands. The money to be paid as a first payment on said lands will be used in the enlarging and extending of our ditch line to said property.

The balance of the land will be sold at \$60 per acre under the same terms. For further information inquire at the office of the Reno, Power, Light & Water Company or to P. L. Flanigan, president of the RENO, POWER LIGHT & WATER COMPANY.

STOP THAT COUGH

When a cough, a tickling or an irritation in the throat makes you feel uncomfortable take Ballard's Horehound Syrup. Don't wait until the disease has gone beyond control. Mr. and Mrs. J. A. Anderson, 534 West 5th St. Salt Lake City, Utah, writes: "We think Ballard's Horehound Syrup the best medicine for coughs and colds. We have used it for several years. It always gives immediate relief, is very pleasant and gives perfect satisfaction." For sale by T. R. Cheatham, 25c, 50c, and \$1.00.

Fate Cannot Harm You

MINING DEAL AT LAUGHTON'S

F. F. Gijbloom Bonds Group of Twenty-Two Claims to Eastern Men for \$125,000

F. F. Gijbloom, who for the past three months has been engaged in working a number of mining claims one and one-half miles northwest of Laughton Springs, arrived in Reno yesterday and announced that he has just bonded his holding to eastern capitalists for the sum of \$125,000. The first payment on the big deal was made yesterday morning and Mr. Gijbloom will leave probably this evening for New York City to close up the deal.

The property includes a group of twenty-two claims. There is no ledge on the property. It is conglomerate formation of immense size and high values have been obtained in all parts of it.

Fifty Dollar Nevada Bicycle Free.

On August 31 we will give another Nevada bicycle away. Tickets will be given with every 25 cent purchase, repairs, or taken in on account, entitling the holder to one chance on the wheel. We give tickets on everything sold, rented or repaired, or taken in on account. We have the best equipped bike shop in Nevada, know how to repair bikes and are agents for the best wheels made, the Racycle, the Columbia, the Tribune and make the Nevada for Reno's rough roads.

We also sell sporting goods, fishing tackle and have a large assortment of files. Nevada Cycle Manufacturing Co., No. 11 West Second street.

"Puddy" Lost His Trousers

Charles Grimes, better known as "Puddy," auditor of Nye county, had a rather uncomfortable experience while traveling to his old home at Nevada City Thursday night. During the trip over the mountains some one stole Mr. Grimes' trousers and but for the charity of a stranger "Puddy" would have been in an embarrassing position. As it was the young man borrowed a pair of pants and though they were several sizes too large he succeeded in reaching home in them. The thief who stole Mr. Grimes' trousers also secured a \$200 watch and a round-trip ticket from Reno to Colfax.

RAILROAD IS MAKING MONEY IN CALIFORNIA

Harriman has filed his report of the earnings and expenses from the operation and maintenance of his railroads in California with the board of examiners at Sacramento. The report shows that the gross earnings of the Central Pacific were \$19,841,288.88, and the operating expenses \$12,917,742.39. After making deductions for all expenses the company reports a surplus of \$934,749.33 for this year.

The Southern Pacific Railroad Company's gross earnings were \$25,865,878.57, and the total expenses \$16,472,232.36.

HERBINE

Renderes the bile more fluid and thus helps the blood to flow; it affords prompt relief from biliousness, indigestion, sick and nervous headaches, and over-indulgence in food and drink.

G. L. Caldwell, Agt. M. K. and T. R. Chacotah, Ind., writes, April 18, 1905: "I was sick for over two years with enlargement of the liver and spleen. The doctors did me no good, and I had given up all hope of being cured, when my druggist advised me to use Herbine. It has made me sound and well." Sold by T. R. Cheatham, 50c.

Dr. Bergstein's Quarters.

During his stay in this city Dr. Bergstein will be found at room 42, McCormack Building. Those wishing to see him will find him there during regular office hours.

NEVADA AGAIN TO THE FRONT

Freissel, Formerly of University,
Wins Amateur Athletic Cham-
pionship at Portland

Wearing the colors of the Multino-
mah Athletic Club, F. M. Freissel, a
former student of the University of
Nevada, won the individual national
championship in the field and track
sports held Wednesday at Portland.
He succeeded in winning the broad
jump and 12-yard hurdles, took second
place in the high jump, half mile walk,
the pole vault and mile run, third in
the hundred-yard dash, shut put and
hammer throw, scoring a total of
5465½ points. V. Ligda, an one-time
crack athlete of the University of Cal-
ifornia, wearing the colors of the
Olympic Club of San Francisco, was
second with 5418½ points, and Parry,
of the Chicago Athletic Club, third.
The meet was held under the auspices
of the A. A. U. and was strictly amate-
teur.

Freissel is well known to followers
of college athletics on the coast. For
three years he played with the Uni-
versity of Nevada football team, be-
ing a member of the 1902 team that
sent Stanford down to defeat with a
6 to 0 score; and the 1903 team that
played Stanford a tie game and won
from the University of California by a
6 to 2 score.

He was one of the strongest pun-
ters that Nevada has had and more than
once his kicks of 60 and 70 yards have
saved Nevada from being scored
against. In track and field sports he
likewise made a good record and at
the present time holds the Nevada
record for the broad jump, high jump,
high and low hurdles, and has tied
the record in the 100-yard dash.

Last December he discontinued his
studies here and later became a mem-
ber of the University of Oregon. He
was a strong factor in her intercolle-
giate contests and time after time
covered himself and new college with
honors.

It is understood that Freissel will re-
turn to the University of Oregon in
September and if past performances
count for anything he will be promi-
nent in the big "O" eleven.

BIGGEST SEASON IN HISTORY OF TAHOE

J. U. Haley, general manager of the
Lake Tahoe railroad, accompanied by
F. J. Pomin, captain of one of the Ta-
hoe steamers, spent last evening in
Reno. Mr. Haley reports that the busi-
ness over his road this year has been
60 per cent greater than ever before.
From all over the world tourists have
been flocking to the famed resort and
now the season is at its height. Crowds
are coming in on every train, says Mr.
Haley, and the resorts, though well
filled, are entertaining their guests
in an admirable manner.

"The weather," said Mr. Haley, "has
been delightful. The days are cool and
the nights are comfortable. Only once
during the season has there been a
thunder storm. That was about two
weeks ago. It lasted for thirty-five
minutes and was not as severe as has
been reported. It is foolish to think
that the lives of passengers in the
boats were in danger. The rolling of
the boats was slight and at no time
was there any danger of loss of life.
People who know the conditions at the
lake know the story of the storm was
absurd, but those who do not will per-
haps think otherwise. They should
not let their fears keep them from
visiting the grandest mountain resort
in the world—Lake Tahoe."

AMATEUR OARSMEN RACING IN CANADA

ST. CATHERINE, Ont., Aug. 4.—
The annual regatta of the Canadian
Association of Amateur Oarsmen, com-
monly known as the Canadian Henly,
opened here auspiciously today and
will continue over tomorrow. Several
crack oarsmen from across the Ameri-
can border, as well as the prominent
amateurs from all parts of the domi-
nion, are taking part.

The program includes junior, inter-
mediate and senior double sculls, sen-
ior pair oars, junior intermediate
and senior fours, junior and senior
eights. The course is one mile and
550 yards straight away.

Texas Stenographers in Session
SAN ANTONIO, Tex., Aug. 4.—The
annual meeting began here today by
the Texas State Stenographer's Asso-
ciation is the largest in point of at-
tendance ever held by the association.
Prominent members of the profession
from all parts of the state were pres-
ent when the gathering was called to
order by the president, E. D. McKen-
zie of Houston. The association has
grown very rapidly during the last
few years, and its influence was strik-
ingly manifested in the last legisla-
ture when it was instrumental in se-
curing legislation favorable to its
members. The present convention will
be in session two days.

Expected Home Next Week.
Adolph Mannheim, the candy king,
is expected home tomorrow from his
outing at Weber lake.

For an evening's ride, Wieland's
Park; fare 5 cents. Heidtmann & Co.

CONTRACT FOR A BIG PLUNGE

Work Will Commence Monday on
\$10,000 Improvement at
Short & Evans' Springs

Fowler & Lyon were yesterday
awarded the contract for the construc-
tion of a plunge and bath houses at
the hot springs three miles south of the
city, owned by Short & Evans. The
plunge and adjoining buildings will
cost in the neighborhood of \$10,000
and will be completed within six
weeks.

The baths will all be under one roof,
the main building will be 102x72 feet
and the big cement plunge will vary in
depth from two and a half to four and
a half feet, with an inlet and outlet.
Fresh water from the hot springs will
constantly flow through the pool.

At one end of the big natatorium six
private plunges will be constructed
10x6 in size for the accommodation of
parties who may visit the resort and
wish to keep to themselves.

In addition to the open plunge and
private plunges there will be a number
of elegantly appointed private bath
rooms.

The hotel which is to be run in con-
nection with the baths will be built
later in the summer. The work on the
plunge building and baths will com-
mence next Monday and the contract-
ors promise to have it completed and
ready for occupancy within six weeks.

There is now a good flow of water
coming into the well which has been
sunk on the ground and its tempera-
ture as depth is obtained increases.
The present flow of water registers
110 degrees.

It is the purpose of the owners to
popularize the resort and to this end
they will bend their efforts in putting
up what will in every way be an up to
date springs resort.

Prince Henry Joins Racers

BERLIN, Aug. 4.—The latest con-
vert to automobile racing is Prince
Henry of Prussia. The prince, who
has been a devotee to the motor car
for some time, took part in his first
races today in the big meet at Forst-
rieder park. He will also take part
in the Kessel Mountain race, which
is a test of reliability and the dura-
bility of the cars. It will be run from
Munich to Nurnsberg.

APPEAL FOR AID TO PUT DOWN PLAGUE

(Continued from Page One.)

every business house to close its doors
next Wednesday in order that its em-
ployees might take a hand in the
gen general movement.

Merchants will be asked to furnish
their carts and wagons to assist in
carrying away refuse.

A special appeal is to be addressed
to the householders to co-operate in
the sanitary campaign by the thor-
ough cleaning of their backyards.

The mayor has decided to borrow
an additional \$10,000 from fiscal agents
to assist in the work.

Evidence of a Crime

Two fishermen while angling along
the Carson river last Saturday discov-
ered evidences of a very startling
tragedy, says the Gardnerville Courier.
The water being very low at the pres-
ent time bars and ridges in the center
of the stream are in many places ex-
posed and on one of these in a clump
of willows they discovered torn bits
of a baby's wearing apparel and some
bones which bore a striking resemb-
lance to those of a human being.

DETERMINED TO RESIST STEAL

Owens River Valley Threatened
With Destruction by the City
of Los Angeles

The plans of the City of Los Angeles
to steal the waters of Owens river and
make barren what is now one of the
richest sections of Nevada and Cali-
fornia, will not carry without a strug-
gle on the part of the people of Inyo
county.

A mass meeting was held at Bishop
last Wednesday to perfect means of
fighting the threatened devastation. It
was attended by citizens and property
owners for miles around. Another
meeting has been called for tonight
at which time permanent organization
will be perfected and a plan of cam-
paign agreed upon.

J. P. Lippincott, a government em-
ployee, is said to be at the head of the
scheme.

Los Angeles plans to pipe the waters
of the river a distance of more than
two hundred miles. Already quite a
sum of money has been invested in
the proposed enterprise.

Owens Valley supports a large num-
ber of farmers. Piping of the water
from the only stream in that section
would result in the drying up of their
crops and the utter ruin of their land
for agricultural purposes.

The last issue of the Inyo Register
speaks in the strongest terms regard-
ing the proposed "steal," as it terms
it, and urges the people to prompt ac-
tion.

TROUT DYING FROM THE HEAT

Hundreds of Dead Fish Floating
Down the Stream Give Rise
to Strange Theory

Arrivals from Wadsworth and other
points along the Truckee river in the
eastern portion of Washoe county re-
port that the stream for the past week
or ten days has often been covered
with dead trout. The fish apparently
were sound, and there was no out-
ward appearance as to the cause of
death beyond the color of the gills,
which were black in color. No one
has been found who has been able to
determine what has caused the deaths.

One theory advanced is that the ex-
treme hot weather of the past month
has affected them. This argument is
borne out to some extent by the fact
that the water is now extremely low
and those who have studied the con-
ditions state that the hot rays of the
sun beating down on the river in the
shallow places has probably resulted
in the death of many trout.

Too Late to Classify

EVERY PURCHASER or encumbran-
cer of real estate should have an
abstract made and the condition of
the vendor's title examined before
closing the deal. Get your abstract
from the Reno Abstract Co., have
it examined by your own attorney,
and it advised that the title is good
you do not need a guarantee. Room
